**From our family to yours...
Caring is our commitment**

“I care very deeply for my loved one and want Hollis Park to care as I do ”

We operate a home-like, family-centered, friendly facility committed to caring! With only eighty residents on three levels, we focus on each individual...providing the personal care needed to maintain and improve quality of life, and ensure a safe environment. Comfort, too, is a prime concern at *Hollis Park Manor Nursing Home*. With our residents' well-being of paramount concern, we offer a comprehensive program of both short and long term care to meet individual needs. Our intimate setting allows our staff the ability to become very familiar with each resident and their family. Most of the employees at Hollis Park have been with us for over ten years, enabling them to create a comfortable, secure and nurturing environment. From the moment of transition to our facility — and throughout the days of

residency — residents and family members feel welcome.

“Our family expects only the highest level of services at Hollis Park. What can you offer? ”

- ▶ **Individualized Care Plan:** Every resident is evaluated by the health care team to design an individualized care plan specific to his/her needs.
- ▶ **Short and Long Term Rehabilitation:** therapeutic programs are offered in physical therapy, occupational therapy, speech and audiology.
- ▶ **Recreation Activities:** daily activities stimulate interaction between residents, increase and improve physical and mental functioning. We *celebrate all birthdays and holidays!*
- ▶ **Medical, Dental and Ophthalmology Care:** on-site services are provided to all residents.
- ▶ **Social Work:** emotional support is provided particularly during stressful transition times.
- ▶ **Dietician:** a registered dietician addresses all special dietary needs, including individual requests for the three meals and two daily snacks.
- ▶ **Dialysis:** residents needing dialysis are transported to nearby facilities.
- ▶ **Wander Prevention System:** residents who tend to wander are monitored 24 hours a day.
- ▶ **Religious Services:** weekly and special holiday services are offered.
- ▶ **Beauty and Barber Salon:** residents can avail themselves of on-site beauty care.

“I want my loved one to feel at home at Hollis Park ”

- ▶ Our rooms are cheerfully decorated and we offer private, semi-private and club rooms.
- ▶ Residents are encouraged to bring personal items to decorate their rooms.
- ▶ Each room is equipped with an electronic call bell and intercom system.
- ▶ Every bed is equipped with state-of-the-art pressure relief mattresses which help prevent bed-sores and heal post-surgical wounds.
- ▶ Each bedroom has a self-controlled air conditioner.
- ▶ Each floor has a multi-purpose day room where residents dine, engage in activities, entertain guests, watch movies and television.
- ▶ The out-door private courtyard is enclosed for security.

From “our family” to yours...

Everyone at Hollis Park is dedicated to upholding the highest standards of care. We are a facility that works as a team to ensure the best possible experience. Staff, residents and family members have open access to expressing their concerns and needs. The Administrator,

Director of Nursing, Social Worker, Dietician and Recreation Director meet regularly to assess day-to-day needs and concerns. IV certified licensed professional nurses are on site 24 hours a day. Post-surgical care and specialized skin treatments are a primary concern of our nursing staff.
